HIGHLIGHTS ON THE FSM SUPREME COURT LAW LIBRARY(s) (FSMSCLL)

November 2020

Launching of the Digital Pasifik Website

This site is a key part of the Pacific Virtual Museum pilot project, funded by the Department of Foreign Affairs and Trade in Australia, and implemented by the [National Library of New Zealand, Te Puna Mātauranga](#) in collaboration with the [National Library of Australia](#). This pilot will run until February 2022.

The aim is to empower people in and of the Pacific Islands, enabling them to see, discover and explore items of digitized cultural heritage that are held in collections around the world. People of the Pacific may not be aware these items or records exist, and we want to support them as they connect with these aspects of their own culture and history. You can access the website at the given address <https://digitalpasifi.org>.

We Are Renewing Our Membership

We value our membership through the international and

local library associations. Our membership open many doors for resource sharing, gave us the opportunity to meet with similar interest, share information with other members, expand our circle of valuable library contacts and networking.

Our membership in these library associations also gave us the best place for opportunities to develop leadership skills. Membership includes the International Association of Law Libraries (IALL), Regional Branch International Council on Archives (PARBICA), Pacific Islands Association of Libraries, Archives, and Museums (PIALA), Australia Association of Law Libraries (AALL), and Libraries, Archives, and Museums of Pohnpei (LAMP) Inc. Association.

Eight FSM National Holiday — Presidents Day

November 23rd becoming “Presidents Day”, the eight National Holiday of the FSM.

November 23rd was chosen as the date for Presidents Day as it is the birthday of the first President of the FSM, His Excellency Tosiwo Nakayama.

“President Nakayama was the epitome of patience and commitment to vision, and it was

through his lifelong dedication and efforts, in collaboration with our other Founding Fathers, that our sovereign Micronesian Nation exists,” President Panuelo said in a statement.

“Each and every Micronesian owes President Nakayama a debt of gratitude; his birthday is the single-most appropriate date for Presidents Day.”
